

Catering

Save time and buy in complete confidence by selecting furniture conforming to current regulations and standards.

Supported by tests, the **NF Collectivité** mark (furniture for public spaces) provides you with objective proof that the product complies with specified requirements and takes into account the appropriate criteria for this specific use in terms of:

- > **Safety** > **Robustness**
- > **Durability** > **Hygiene**

For you, it is also the assurance that the manufacturer knows how to ensure a constant level of quality for all furniture marked **NF Collectivité**.

Certified compliance ... The proof

TABLE

> Safety

Stability

> Strength

Load on the top of 100 kg

5 accidental drops of the table by tipping it over

> Durability

10,000 lateral thrusts of 300 N

5000 torsional thrusts of 200 N

for tables with a central leg

5000 vertical thrusts of 750 N for tables with unobstructed sides or central leg

70,000 rolling operations for loaded rolling tables

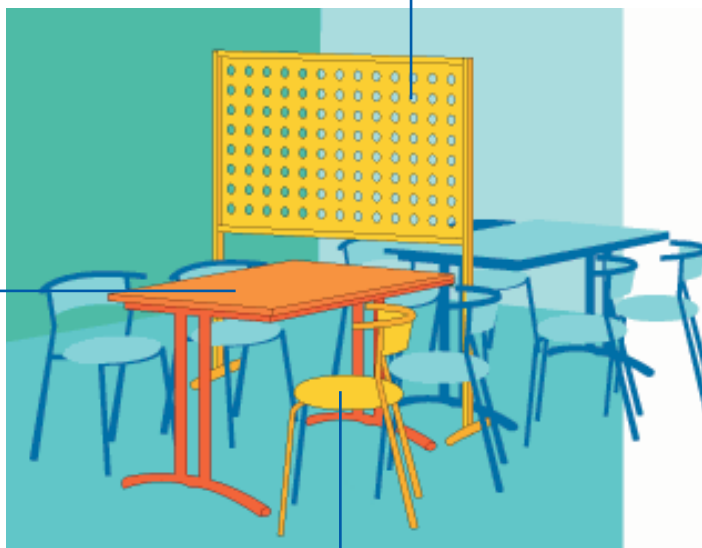

2000 operations for folding tables

PARTITION

> Safety

Stability when subjected to a horizontal thrust of 200 N

5 accidental drops of the partition by tipping it over

CHAIR

> Safety

Side, rearward and forward stability

Stability of chairs resting on the table

Fire characteristics of padded trim

> Strength

Load on the seat base of 150 kg

Maximum thrust of 700 N on the seat back

Drop of a 90 kg weight onto the seat base

Drop of a 135 kg weight onto the seat base

10 accidental drops from a height of 800 mm

> Durability

Drop a weight of 75 kg 40,000 times

30,000 thrusts of 400 N on the seat back

Tipping the seat loaded with 75 kg forwards and backwards 12,000 times

Tipping the seat loaded with 40 kg sideways 6000 times
